<p>Facebook/Instagram: Schools in the UK emit more than 10 million tonnes of carbon collectively each year! This is why we've signed up for the new #CountYourCarbon tool by @EcoSchoolsEngland.</p> <p>The easy-to-use tool has helped us to understand the causes of our biggest carbon emissions, and importantly, start reducing our impact.</p> <p>Let's work together to reduce carbon emissions in nurseries, schools and colleges by 50% by 2030.</p> <p>Sign up now: https://www.countyourcarbon.org/home/</p>	<p>Facebook/Instagram: Schools in the UK emit more than 10 million tonnes of carbon collectively each year!
